IN THE MATTER OF an expiry review, under subsection 76.03(3) of the *Special Import Measures Act*, of the order made by the Canadian International Trade Tribunal on April 21, 1997, in Review No. RR-96-004, continuing with amendment, its finding made on April 21, 1992, in Inquiry No. NQ-91-006, concerning:

**MACHINE TUFTED CARPETING WITH PILE PREDOMINANTLY OF NYLON, OTHER POLYAMIDE, POLYESTER OR POLYPROPYLENE YARNS, EXCLUDING AUTOMOTIVE CARPETING AND FLOOR COVERINGS OF AN AREA LESS THAN FIVE SQUARE METRES, ORIGINATING IN OR EXPORTED FROM THE UNITED STATES OF AMERICA**

**ORDER**

On August 9, 2001, the Canadian International Trade Tribunal (the Tribunal) gave notice that, pursuant to subsection 76.03(3) of the *Special Import Measures Act* (SIMA), it would initiate an expiry review of its order made on April 21, 1997, in Review No. RR-96-004, continuing with amendment, its finding made on April 21, 1992, in Inquiry No. NQ-91-006, concerning machine tufted carpeting with pile predominantly of nylon, other polyamide, polyester or polypropylene yarns, excluding automotive carpeting and floor coverings of an area less than five square metres, originating in or exported from the United States of America.

On December 7, 2001, the Commissioner, pursuant to paragraph 76.03(7)(a) of SIMA, determined that the expiry of the order made by the Tribunal on April 21, 1997, in Review No. RR-96-004, concerning the above-mentioned goods was unlikely to result in the continuation or resumption of dumping of the goods.

Pursuant to subparagraph 76.03(12)(a)(i) of SIMA, the Tribunal hereby rescinds the order made in Review No. RR-96-004, concerning the above-mentioned goods.
