DECISION

For reasons that will be explained in greater detail shortly, the complaint does not meet the requirements of section 6 of *Canadian International Trade Tribunal Procurement Inquiry Regulations* with respect to the time limits for filing a complaint, which are a prerequisite for the conduct of an inquiry by the Canadian International Trade Tribunal.

Accordingly, the Tribunal has decided, pursuant to subsection 30.13(1) of the *Canadian International Trade Tribunal Act*, not to conduct an inquiry into the complaint.
