DETERMINATION

Pursuant to subsection 30.14(2) of the *Canadian International Trade Tribunal Act*, the Canadian International Trade Tribunal determines that the complaint is valid in part.

Having considered the provisions of subsections 30.15(2) and (3) of the *Canadian International Trade Tribunal Act* and the facts and evidence submitted by the parties, the Tribunal finds that the circumstances do not warrant the recommendation of a remedy.

Each party will bear its own costs.
