ORDER

In its determination of April 7, 2025, the Canadian International Trade Tribunal found that the complaint brought by Primex Project Management Ltd. (Primex) was not valid. The Tribunal encouraged the parties to discuss and reach an agreement on the award of costs.

The parties communicated to the Tribunal on May 5 and 6, 2025, that they had reached an agreement setting the level of complexity for the complaint case at Level 1 and the amount of the cost award at \$1,150, having regard to the Tribunal's *Procurement Costs Guidelines*.

The Tribunal therefore awards the Department of Public Works and Government Services its costs in the amount of \$1,150 for responding to the complaint and directs Primex to take appropriate action to ensure prompt payment.
