ORDER

In its determination of August 12, 2025, the Canadian International Trade Tribunal, pursuant to section 30.16 of the *Canadian International Trade Tribunal Act*, awarded Resolution its reasonable costs incurred in making the complaint to the Tribunal. The Tribunal's preliminary indication of the level of complexity for the complaint case was Level 1, and its preliminary indication of the amount of the cost award was \$1,150. Noting that there have been no submissions contesting the preliminary indication of the level of complexity or the preliminary indication of the amount of the cost award, the Tribunal confirms its preliminary indications by awarding Resolution its costs in the amount of \$1,150 and directs the Department of Employment and Social Development to take appropriate action to ensure prompt payment.
