NOTICE OF PROPERLY DOCUMENTED REQUEST

On November 10, 2024, the Canadian International Trade Tribunal received a properly documented request for a public interest inquiry from the Ministry of Trade and Industry, Egypt (Government of Egypt), regarding the Tribunal's [injury finding in NQ-2024-001](#). A copy of the request filed by the Government of Egypt can be obtained by contacting the Tribunal.

Interested parties supporting or opposing the initiation of a public interest inquiry shall file their written submissions by **no later than December 20, 2024**. The submissions should address the facts and arguments contained in the request and provide any other information that would assist the Tribunal in determining whether there are reasonable grounds to consider that the imposition of duties under the *Special Import Measures Act*, or the imposition of such duties in the full amount, would not or might not be in the public interest. Where there are opposing views, each party that filed a submission on December 20, 2024, will be given an opportunity to respond in writing to the submissions of other parties by **no later than January 13, 2025**.

Each person or government wishing to participate in this proceeding must file a Form I—Notice of participation with the Tribunal, by **no later than November 29, 2024**. Each counsel who intends to represent a party in this proceeding must file a Form II – Notice of representation and, in order to have access to confidential information filed in these proceedings, a Form III – Declaration and undertaking with the Tribunal, by **no later than November 29, 2024**. The [forms](#) are available on the Tribunal's website. The Tribunal will issue a list of participants shortly thereafter.
