## ADDITIONAL INFORMATION

### BACKGROUND INFORMATION

On June 17, 2025, the Tribunal received notice from the Director General of the Trade and Anti-dumping Programs Directorate at the CBSA, stating that preliminary determinations have been made respecting the dumping of polyethylene terephthalate (“PET”) resin having an intrinsic viscosity of at least 0.70 deciliters per gram but not more than 0.88 deciliters per gram, including PET resin that contains various additives introduced in the manufacturing process, as well as blends of virgin PET resin and recycled PET, originating in or exported from the People’s Republic of China and the Islamic Republic of Pakistan, excluding 100% recycled PET resin, and the subsidizing of the above-mentioned goods from the People’s Republic of China.

Pursuant to section 42 of SIMA, the Tribunal will now determine whether the dumping and subsidizing of the above-mentioned goods have caused injury or retardation or are threatening to cause injury, make inquiries with respect to massive importations, and determine such other matters as the Tribunal is required to determine under that section. More information is available in the Tribunal’s [Preliminary and final injury inquiries guidelines](#).

The Tribunal has sent the notice of commencement of inquiry, as well as a letter outlining the details of the procedures and the inquiry schedule, to known interested parties, such as domestic producers, importers, foreign producers, certain purchasers, trade associations, and any trade unions that represent persons employed in the domestic industry. Some interested parties have been requested to complete questionnaires.

All [questionnaires](#) are bilingual and can be downloaded from the Tribunal’s website.

Such a request must be filed with the Tribunal within 45 days of an injury finding. A public interest inquiry and an injury inquiry are completely separate proceedings. The Tribunal does not seek nor does it accept submissions on public interest issues during an injury inquiry.

### PROCEDURE FOR E-FILING WITH THE TRIBUNAL

The public, counsel and self-represented participants may file documents electronically with the Tribunal through its [Secure E-filing Service](#). The information is fully encrypted from the sender to the Tribunal.
