## ADDITIONAL INFORMATION

### BACKGROUND INFORMATION

On October 9, 2025, the Tribunal received notice from the Director General of the Trade and Anti-dumping Programs Directorate at the CBSA, stating that preliminary determinations have been made respecting the dumping and subsidizing of cast iron soil pipe, as defined below (the subject goods), originating in or exported from the People's Republic of China.

The subject goods are defined as:

Cast iron soil pipe originating in or exported from the People's Republic of China, whether finished or unfinished, regardless of industry or proprietary specifications, and regardless of wall thickness, length, surface finish, end finish, or stenciling, having a nominal outside diameter from 1.5 inches to 18 inches. Cast iron soil pipe is non-malleable iron pipe of various designs and sizes, including but not limited to both hubless and hub and spigot cast iron soil pipe.

For greater certainty, the product definition includes all pipe meeting the physical description set forth above, whether or not produced according to a particular standard or specification.

Pursuant to section 42 of SIMA, the Tribunal will now determine whether the dumping and subsidizing of the above-mentioned goods have caused injury or retardation or are threatening to cause injury, make inquiries with respect to massive importations, and determine such other matters as the Tribunal is required to determine under that section. More information is available in the Tribunal's [Preliminary and final injury inquiries guidelines](#).

The Tribunal has sent the notice of commencement of inquiry, as well as a letter outlining the details of the procedures and the inquiry schedule, to known interested parties, such as domestic producers, importers, foreign producers, certain purchasers, trade associations and any trade unions that represent persons employed in the domestic industry. Some interested parties have been requested to complete questionnaires.

All [questionnaires](#) are bilingual and can be downloaded from the Tribunal's website.

### REQUESTS FOR PRODUCT EXCLUSIONS

The Tribunal's [Guidelines on product exclusion requests](#) describe the procedure for filing requests for specific product exclusions. They also include links to the [form](#) for filing requests for product exclusions and to a [response form](#) for any party that opposes such requests. Please see the filing deadlines for the product exclusion process in the attached Inquiry Schedule.

### REQUESTS FOR A PUBLIC INTEREST INQUIRY

In the event of an injury finding, a request for a public interest inquiry may be made by any party to the injury inquiry, or by any other group or person affected by the injury finding. Such a request must be filed with the Tribunal within 45 days of an injury finding. A public interest inquiry and an injury inquiry are completely separate proceedings. The Tribunal does not seek nor does it accept submissions on public interest issues during an injury inquiry.

## PROCEDURE FOR E-FILING WITH THE TRIBUNAL

The public, counsel and self-represented participants may file documents electronically with the Tribunal through its [Secure E-filing Service](#). The information is fully encrypted from the sender to the Tribunal.

Form I—Notice of Participation, Form II—Notice of Representation and Form III—Declaration and Undertaking should all be filed electronically through the Tribunal's Secure E-filing Service.

Following receipt of completed forms I, II and III, the Tribunal will send to counsel and self-represented participants a letter with information on the E-registry Service and the filing of documents.

## CONFIDENTIAL SUBMISSIONS PROJECT

The Tribunal will be conducting a project in the context of this inquiry aiming to further prevent inadvertent disclosure of confidential information. Public and confidential submissions will go through a review process, 24 hours before the filing deadline with the Tribunal, among counsel of record who have filed Form III—Declaration and Undertaking. All counsel of record to this inquiry who filed a Form III will be required to indicate whether they will participate in the project. Additional information concerning the project and its deadlines will be communicated to counsel and self-represented participants following the receipt of completed forms I, II and III. The schedule appended to this notice has also been updated to take into account the deadlines for service among counsel who signed a Form III.

## HEARING

The Tribunal will hold a hearing relating to this inquiry commencing on January 5, 2026 to hear evidence and representations by interested parties. The type of hearing will be communicated at a later date.
