

NOTICE OF INQUIRY

HOTELS, MOTELS AND COMMERCIAL ACCOMMODATION

The Canadian International Trade Tribunal has received a complaint from Newland Canada Corporation (Newland) of Calgary, Alberta, concerning a procurement (solicitation W8484-230352/A) made by the Department of National Defence (DND). The solicitation was for accommodation with parking and laundry services or accessible laundry equipment. Pursuant to subsection 30.13(2) of the *Canadian International Trade Tribunal Act* and subsection 7(2) of the *Canadian International Trade Tribunal Procurement Inquiry Regulations*, notice is given that the Tribunal made a decision on May 4, 2023, to conduct an inquiry into the complaint.

Newland alleges that DND favoured the successful bidder by awarding the contract based on a proposal that did not include a technical bid, even though a technical bid was required by the terms of the solicitation.
